The Source ID in DARS is a four byte code, beginning with a capitol **I**.

The screenshot shows a software interface for defining a grade. The 'Source ID' field is populated with 'I005'. A callout box with an arrow points to the 'I' in 'I005' and contains the text 'Note the letter I before the number'. Other fields include 'Name: P.J. Community College' and 'Lyt: 9999 99'. Below these are tabs for 'General', 'Course', 'Credit', and 'GPA'. The 'General' tab is active, showing fields for 'Report InstID: PJCC', 'Grade Case: Upper', 'Status:', 'SPEEDE InstIDQ: ZZ', and 'Default Master Reference Table'.

Additional schools can be added to the list by contacting the Miami Support Center at <http://www.dars.muohio.edu/survey/entry.jsp?id=1095796210233>. Your request will require the institution name, street address, city, and country.
