Finding Course Equivalencies in u.select

Step 1 – Go to www.transfer.org

Step 2 – Click on Quick Equivalencies link

The screenshot shows the u.select website interface. At the top, there are fields for User ID, School ID (with 'MN' entered), and Password, along with a 'Login' button and links for 'Forgot password?' and 'Forgot User ID?'. Below this is the u.select logo and navigation links like 'About u.select', 'Contact', 'Glossary', and 'Help'. The main content area has a 'Start using u.select' section with a search bar for schools and a list of links including 'Search All Schools', 'Featured Schools', 'Search Courses', 'View Course Catalogs', 'Quick Equivalencies', 'Equivalencies by School', and 'Equivalencies by Course'. A 'Welcome to u.select' banner on the right includes a photo of a student and text explaining the tool's purpose. A cartoon character in a purple suit is pointing to the 'Quick Equivalencies' link in the main menu.

Step 3 – Choose the school TO WHICH you want to transfer courses. Check your TO and FROM schools carefully. Transfer Equivalencies do not necessarily go both ways!

The screenshot shows the 'Quick Equivalencies' page. It includes a heading 'Quick Equivalencies' and a sub-heading 'View all equivalencies that are available for a specific school. To compare equivalencies up to five schools at a time, see the "Equivalencies by School" page.' Below this is a step-by-step guide: 'Step 1: I want to transfer my courses to:'. There are two dropdown menus: 'State' (set to 'Minnesota') and 'School'. The 'School' dropdown is open, showing a list of schools in Minnesota. 'Minnesota State University - Mankato' is highlighted in blue. A cartoon character in a purple suit is pointing to this highlighted school name.

Step 4 - All the states FROM WHICH equivalencies are available for the institution you wish to transfer to are listed. Select MN:
