

## International Institutions in DARS and u.select

Transfer articulations for International schools are defined in the Master Reference Table and Transfer Articulation Table. Codes for international school Source ID's are defined and listed by redlantern. **These codes ("I" codes) are supported in u.select.** Institutions and I Codes that are already in u.select, are at:

<http://clients.redlanternu.com/home/display/USL/International+Schools+in+u.select>
