

#AV#
(formerly #06#)
Academic Advisor
Print student's current academic advisor(s)

INCLTOP and FULLDEMO Description

#AV# will read ST1100UG, Adm/Enr tab, and print all the student's active advisors in the INCLTOP portion of the degree audit or one advisor only (the one with the earliest Adv Begin Date) in the FULLDEMO fields which prints at the top of the audit.

The screenshot displays the 'Student Information' window for student Stanley Cup. The 'Adm/Enr' tab is active, showing various fields for student data. A red circle highlights the 'Advisor/Cnslr Ctr' field, which contains the value '00076641 Johnson, Cheryl' and the 'Adv Begin/End Date' field, which contains '07/01/2004' and '12/31/9999'. Other visible fields include 'Admissions Category' (11 - Undergrad Regular), 'YRTR' (19993), 'Begin Date' (07/31/1998), and 'End Date' (12/31/9999).

INCLTOP Entry

This entry prints on the audit from the location of the entry in INCLTOP.

The INCLTOP entry below reads as:

#AVAdvisor(s): #

Requirement: INCLTOP 000000

Requirement Name: INCLTOP FYT: 0000 00 LYT: 9999 99

Title: _____

Web Title: _____

Business rules when using #AV#:

- Format is: #AVAdvisor: # (or #06Advisor: #). 'Advisor' is the user-defined label and the #AV# and #06# may be used interchangeably.
- If #AV# or #06# are used in FULLDEMO, only one advisor name will display. If there are multiple active advisors, the advisor that displays in FULLDEMO is the one with the earliest Adv Begin Date.
- If #AV# or #06# are used in INCLTOP, multiple advisors names will appear, with only one 'label'.
- We recommend that if you currently display advisor name in the top of your audit using the FULLDEMO field, and you have students with multiple active advisors, move the #AV to INCLTOP.
- If you use more than one INCLTOP requirement (INCLWEB perhaps), make the change in all INCLTOP requirements.

If there is no advisor assigned in ST1100UG, Adm/Enr Tab, Advisor/Cnslr Ctr Name, then the label will appear, followed by 'No Advisor Assigned'.
