

## Transfer Articulation Rule Report

Request: I would like to view all the transfer rules I have encoded for a given institution.

The Transfer Articulation rule report option allows you to request a report identifying your transfer rules. The report includes the source id, institution name, first year term, last year term, memo, group name, rule number, unique alpha/numeric course identifier, title, effective date; target alpha/numeric course identifier, alternates, and flags. The report is requested via DA0001CP.

Request the Transfer Articulation Rule report on DA0001CP with values specific to your campus:

Output to Darwin: set to N; Export to ISRS: transfer institution FICE code, forward slash, first year term. For a report of your rules for Inver Hills semester courses, the entry should look like: 006935/19993.

**Note:** Rule reports for non-FICE institutions, i.e., CLEP, AP, are defined by: 6 zeros, right forward slash, the Source ID and enough spaces to equal 6, right forward slash, and the first year term. Your AP rule report would look like: 000000/AP /19993

The screenshot shows a report generation interface. At the top, the Report ID is 'DA0001CP' and the report name is 'Dars Audit Report'. Below this is a table of report parameters:

Report Parameter Description	Required	Parameter Value	Index
User ID, Report ID, Date Time:			<
Tech Id of Student (up to 25):

Export to ISRS: N,EXPORT=D,L,S		006935/19993	

An arrow points to the '006935/19993' value with the label 'FICE code & FYT'. Below the table, the 'Delivery Method' is set to 'Printer'. The 'Printer Queue' is 'Your printer number' and the 'Form ID' is 'HP16LW'. At the bottom, 'Deliver To' is 'DANDREA MARY', 'Start Time' is '11:55', and 'Process Monitor' is 'Gkp1'. A light blue box on the right contains the text: 'The Form ID **must** be HP16LW'. At the very bottom, it says 'Use the TAB and SHIFT/TAB keys to navigate forward and backward on this screen.'

The report looks like this example.
