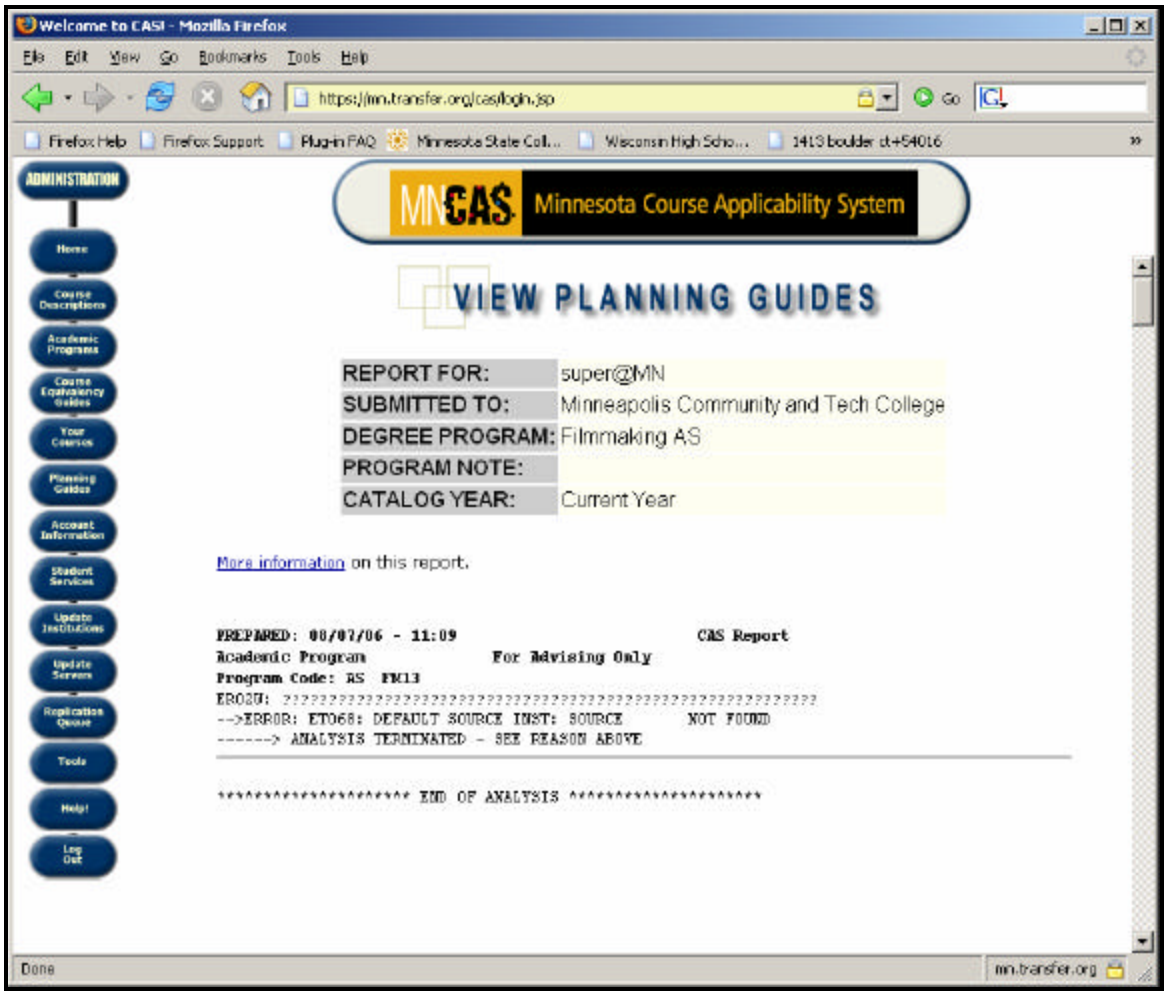
ERROR: **ET068**

ISSUE: No SOURCE Institutional Reference Table and no SOURCE Transfer Articulation Table.



The error message indicates that the tables necessary for display in CAS are missing from your DARS set-up. The solution requires the creation of an Institutional Reference Table and a Transfer Articulation table with the Source ID of < **SOURCE** >.

The SOURCE Institutional Reference table and the SOURCE Transfer Articulation table have been created in your DARS. **Do not remove these tables from DARS.**
