

DARS Exception Report (DA0100CP)

List of students in DARS Joe Cool by exception type

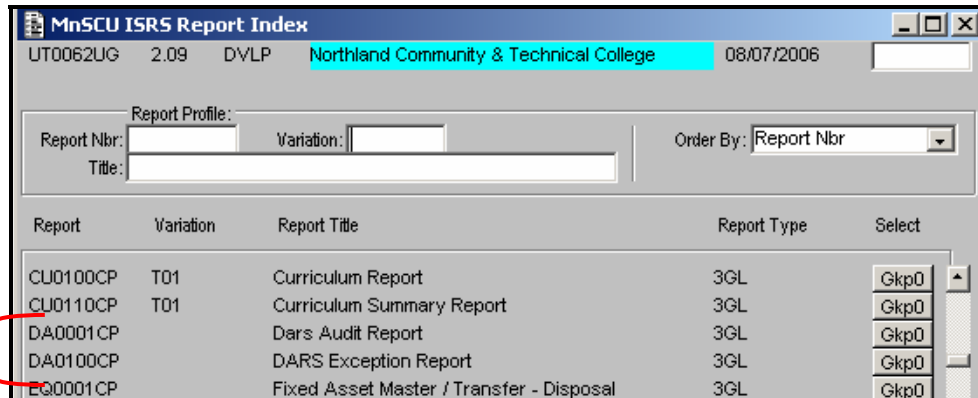

This report is run in Uniface and will be useful to institutions who are trying to determine which students have been granted Academic Exceptions in DARS. It may be useful if you need to make changes to specific exception types you had previously done on one or more students, or for gathering information about Academic Exceptions granted at your institution.

MnSCU ISRS Report Index

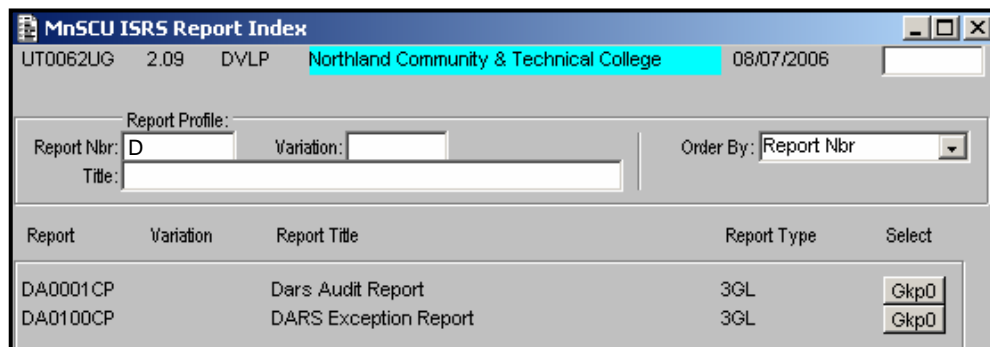

From the ISRS Main Menu, select UT0062UG – MnSCU ISRS Reports Menu. A shortcut to get to your Reports Menu is to type in the word REPORTS in the top right corner of your Uniface screen and hit the TAB key.

Reports appear in alphabetical order. You may scroll down the list to find the DA0100CP report, or you may type DA0100CP in the Report Nbr field.

Another option is to simply type in the letter 'D' in the Report Nbr field and click on the Select [Gkp0] button and you will get a menu of all available DARS reports.

Select DA0100CP. The DARS Exception Report screen has two required Parameter value fields:

1. Exception Types
2. Limit select by this nbr of years
