

# Course Generation #1

**Purpose:** Awarding course, credits, and grade for successful Course Challenge (credit by examination).

**Note:** Course Challenge (credit by exam) can be accommodated through Exception processing or through Transfer Articulation. If your campus identifies a course challenge as transfer “TEST OUT” on your transcript, refer to [Course Challenge in Transfer Articulation](#).

**Situation:** Based on successful Course Challenge, a student has been awarded a course (HIST 1021), credits (3), with a grade of P. The course can be used in any program.
