

**Exception:** SP (ACTION of S, RUFLG of P) to match course to “P” pseudo.

Ctlcd	Action	Ruflg	Memo
SP	S	P	Course Substitution as Pseudo

Field	Description
<b>Dprog</b>	Ensures that the exception is counting for this program ONLY (AAS 1256)
<b>Course</b>	The course that will be identified to match the “P” Pseudo in the sub-requirement (BUSN2220)
<b>Replacement Course</b>	“P” Pseudo in sub-requirement BUS CORE in the AAS 1256 program (BMGT CORE matches the “P” Pseudo – Nohide)

**Note:** will show on the audit (limited characters). **Memo:** will not show on the audit – text could give more detailed information about the petition, approval and/or exception.

**Effect** of Exception: BUSN2220 is matched as an acceptable Business Core course by matching it to the designated Pseudo course for this requirement.

**Audit Appearance after Exception:**
