

## Requirement Change #10

**Purpose:** Allow a rejected course to be acceptable.

**Situation:** Based on the student's request, the Dean of Communication Studies has agreed to allow the student to use CMST491 Undergraduate Assistantship as an acceptable course (course is encoded on a Reject line, printing on a "NOT FROM:" line on the audit).

```
NO      Communication Studies 400 level requirement
- 1) 400 Level CMST Courses
  -> NOT FROM: CMST444 ,491
  SELECT FROM: CMST4**
2) Any CMST course
```

The sub-requirement 1 for CMSTMIN2 rejects CMST444 and CMST491 from the 400-level courses (CMST4\*\*) in Communication Studies. This sub-requirement requires 1 course.

	Course	M	Title	T	CLim	CFlg	A	R	Effective Date
1	R CMST444								-
2	R CMST491								-
3	A CMST4**								-
4	A CMST4LEV	\$							-

A "R" line pseudo (\$) needs to be added to the sub-requirement, after the original reject line.

	Course	M	Title	T	CLim	CFlg	A	R	Effective Date
1	R CMST444								-
2	R CMST491								-
3	R CMST4LEV REJ \$								-
4	A CMST4**								-
5	A CMST4LEV	\$							-

**Exception:** RJ (ACTION of R, RUFLG of D) to delete the rejected course from the "R" line.
